October 10th, 2017

Dear Parent/Guardian:

The federal government provides funding to schools that have a certain percentage of students who qualify for free or reduced lunch. These income eligible schools are provided services and opportunities by their school and school district using *ESEA (Elementary Secondary Education Act)* funds to improve student achievement.

In planning these services and opportunities, we would like to elicit your parental and community input to strengthen our programs. Our goal is to meet the needs of all Piscataway students. On October 18th, we would like to invite you to Piscataway High School to provide information and brainstorm for ideas that would further meet the needs of our students. This meeting will take place at **6:00 p.m.**

At this meeting you will have an opportunity to meet with support specialists to discuss the program developed for your child/children.

We hope you can join us as we plan for our students' achievement.
