## School Board/ Budget Election

Tuesday, April 20, 2010  
2 - 9 p.m.

## Your Vote Counts!

This year's budget vote will have a huge impact on your child's education. Last week, the school district was notified that we will receive \$5 million LESS in state aid.

Information on how this funding cut will impact your child's education will be posted to our district website. Please check for frequent updates.

In the meantime, make sure that you are registered to vote on Tuesday, April 20th and mark your calendar.
