

Check the Savings

The Piscataway School District has maximized dollars for the classroom through these efficiencies and savings.

Here's what we've done over the past three years:

- ✂ \$325,000 in energy savings through use of solar panels.
- ✂ \$1.4 million in health insurance premiums.
- ✂ \$1.2 million in transportation by sharing routes with other districts and installing our own fuel tank.
- ✂ No increase in compensation for central administration and non-unit staff (those not represented by a union).
- ✂ \$4.2 million (over five years) by return of out-of-district students to in-house programs and other initiatives.

Vote on Tuesday, April 20th.
2 - 9 p.m.

This vote has a big impact on your child's education, and this year it is more important than ever for you play an active role by voting.
