

Background of PHS Prime

- PHS Prime is an initiative founded by April Eyler, HS Dean of Students & Laura Leibowitz, HS Special Education Teacher for the Community Based Instruction (CBI) Program.
- Initially introduced thru lessons to CBI students on the value of using coupons to save money, the idea has evolved into a dual purpose program that supports the community and the CBI Program.
- The program is supported by school wide food & self-care drives, donations from our generous staff, and contributions from the PHS Coupon Collective, a group of staff formed to learn the personal benefits of couponing and how it can be used to help others.
- Thanks to the **Piscataway Education Foundation** for providing grant funding to properly implement our program!!!!
