November 9, 2020

Dear Parent/Guardian,

We are excited to begin our Hybrid Learning Plan on Monday, November 16! If you have chosen to send your child to school under the Hybrid Learning Plan, please read this very important information. This includes a necessary daily screening form to confirm your child's health status, which hybrid rotation group your child will attend, and a complete hybrid rotation calendar. All the information in this letter can be located in the Genesis Parent Portal. It will also be posted on district and school web pages.

1. To ensure the health and safety of students and staff, parents must confirm their child's daily heath status. This can only be done by electronically submitting the **COVID DAILY PARENT FORM on the days your child will be attending** in-person learning. The **COVID DAILY PARENT FORM** can be found in Genesis under the "Forms" tab. Complete directions for accessing this form can be found here.

   For everyone's safety, parents must complete the **COVID DAILY PARENT FORM** every day prior to a student's arrival to school. Students who arrive to school without completing this form will not be allowed to attend class. A lack of consistently completing this electronic form will result in the student being placed on an all-remote schedule.

2. Your child's hybrid rotation group is listed in Genesis, in the summary sheet under your child's photo. Complete directions to find your child's rotation group assignment can be found here.

3. A calendar detailing which hybrid group attends school each day can be found here.

4. If your child rides the bus to and from school, information will follow **LATER IN THE WEEK** for an updated time schedule.

We appreciate your cooperation and if you have any questions, please contact your building principal.

Sincerely,

Dr. Frank Ranelli
