January 8, 2021

Dear Parent/Guardian,

We are excited to begin our hybrid in-person learning plan on Monday, February 1, 2021! This letter contains information for both parents of hybrid students as well as parents for all remote virtual students.

We know you chose a learning plan option in the fall. If you are satisfied with that selection, you do not need to do anything further. **Families who wish to change their learning plan option may do so by contacting your child's school main office by Friday, January 15.**

If you are satisfied with your learning plan option and have chosen to send your child to school under the **in-person hybrid learning plan**, please read this very important information which includes a necessary daily screening form to confirm your child's health status, which hybrid rotation group your child will attend, and a complete hybrid rotation calendar. All the information in this letter can be located in the [Genesis Parent Portal](#). It is also posted on [district and school web pages](#).

1. To ensure the health and safety of students and staff, parents must confirm their child's daily health status. This can only be done by electronically submitting the **COVID DAILY PARENT FORM on the days your child will attend** in-person learning. The **COVID DAILY PARENT FORM** is found in Genesis under the "Forms" tab. Complete directions for accessing this form can be found [here](#).

For everyone's safety, parents must complete the **COVID DAILY PARENT FORM** every day prior to a student's arrival to school. Students who arrive to school without completing this form will not be allowed to attend class. A lack of consistently completing this electronic form will result in the student being placed on an all-remote schedule.

2. Your child's in-person rotation group is listed in Genesis, in the summary sheet under your child's photo. Complete directions to find your child's rotation group assignment can be found [here](#). If you have a question related to your child's rotation group, contact the main office of their school for assistance.
3. A calendar detailing which hybrid group attends school each day can be found [here](#).
4. If your child rides the bus to and from school, bus passes will be issued beginning Friday, January 22, 2021 that include an updated time schedule.

We appreciate your cooperation and if you have any questions, please contact your building principal.

Sincerely,

Dr. Frank Ranelli  
Superintendent of Schools
