

**How can I pay for my child’s meals?**

MealTime Online is the food service payment management system that allows students to purchase breakfast and lunch without having to handle cash. Parents/guardians can deposit funds into their child’s account online with a credit card, or by sending a check to their child’s school cafeteria. Parents/ guardians can access their child’s account balance, transaction activity and deposit history online. To register with the MealTime Online system, click [here](#).
