

Can I pay to bus my child?

If you reside UNDER the stated mileage guidelines noted above, you are eligible to apply for a fee-based district program called “Subscription Busing,” which costs \$395.00 for the entire school year. Students eligible for free or reduced meals are eligible for subscription busing at a reduced fee and should contact the Transportation office at 732-572-2289 x 2365. Subscription bus applications are completed using the district’s online registration system, Community Pass. There may, at times, be a waiting list for this service. More information and applications can be found [here](#).
