June 17, 2021

Dear Piscataway Families:

On this last day of the 2020-2021 school year, I want to sincerely thank all our families for your kindness and support for our students and schools. This was a very difficult year for all of us as we navigated through remote, hybrid, and in-person learning, and I couldn't be more proud of our students for the way they handled the year.

Like all of you, I hope our return to school in September looks much more like it did in pre-pandemic years. We continue to follow State guidelines; I will continue to keep you updated as to any new developments or guidelines as we move throughout the summer.
