XII. PUBLIC COMMENTS FROM THE FLOOR

The Board of Education recognizes the value of public comment on educational issues and school matters of community interest. In support of this position, the law establishes a period of public comment at every Board meeting.

Individuals wishing to speak must state their name and municipality. Comments are limited to three minutes' duration, but an individual may speak a second time after all others who wish to speak on the topic have been heard. The Board may require that individuals register to speak prior to the beginning of the meeting. Participants may submit written material in support of their position.

All statements and/or questions shall be directed to the presiding officer and no participant may address or question Board members individually. All speakers are requested to express themselves in a civil manner, with due respect for the dignity and privacy rights of others whose legal rights may be affected.

Please note: While it is not the Board's intention to stifle comment on matters of legitimate concern to the school community, the public should be aware that if their statements violate the rights of others under the law governing defamation or invasion of privacy, they may face personal liability to the injured party. If speakers are uncertain of the legal ramifications of their comments, the Board urges them to seek guidance beforehand from their own legal advisor.

B. APPROVAL OF NURSING SERVICES PLAN

Explanation:

According to 6A:16-2.1, each district board of education shall develop a plan for the provision of school nursing services, but not limited to, the assignment of school nurses. The school nursing services plan may assign one or more non-certified school nurses to perform duties permitted under their license from the State Board of Nursing and allowed under 6A:16.1 provided that each non-certified school nurse is assigned to the same school building or school complex as the certified school nurse.

For the purpose of assigning school nurses, a district board of education shall determine whether two or more buildings constitute a school complex based on the following criteria: grade levels, general education enrollment, special education enrollment, number of children with severe medical involvement, distance between the buildings, and type of communication system in place.

WHEREAS the assignment plan for nurses working in this capacity shall be submitted to the county superintendent for review and approval as part of the certificated staff report pursuant to N.J.A.C.6A:30-1.4(A)9; and

WHEREAS the Nursing Services Plan for 2022-2023 has been developed according to 6A:16-2.1 criteria;

NOW THEREFORE BE IT RESOLVED that the Nursing Services Plan for 2022-2023 be approved.
