The following action will renew this commitment:

BE IT RESOLVED that the Piscataway Township Board of Education adopts the following New Jersey School Board Member Code of Ethics:

1. I will uphold and enforce all laws, state board rules and regulations, and court orders pertaining to schools. Desired changes should be brought about only through legal and ethical procedures.
2. I will make decisions in terms of the educational welfare of children and will seek to develop and maintain public schools which meet the individual needs of all children regardless of their ability, race, creed, sex, or social standing.
3. I will confine my board action to policymaking, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
4. I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
5. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action which may compromise the board.
6. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
7. I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. But in all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its schools.
8. I will vote to appoint the best-qualified personnel available after consideration of the recommendation of the chief administrative officer.
9. I will support and protect school personnel in proper performance of their duties.
10. I will refer all complaints to the chief administrative officer and will act on such complaints at public meetings only after failure of an administrative solution.

**X. PUBLIC COMMENTS FROM THE FLOOR**

---

The Board of Education recognizes the value of public comment on educational issues and school matters of community interest. In support of this position, the law establishes a period of public comment at every Board meeting.

Individuals wishing to speak must state their name and address. Comments are limited to three minutes' duration, but an individual may speak a second time after all others who wish to speak on the topic have been heard. The Board may require that individuals register to speak prior to the beginning of the meeting. Participants may submit written material in support of their position.

All statements and/or questions shall be directed to the presiding officer and no participant may address or question Board members individually. All speakers are requested to express themselves in a civil manner, with due respect for the dignity and privacy rights of others whose legal rights may be affected.

Please note: While it is not the Board's intention to stifle comment on matters of legitimate concern to the school community, the public should be aware that if their statements violate the rights of others under the law governing defamation or invasion of privacy, they may face personal liability to the injured party. If speakers are uncertain of the legal ramifications of their comments, the Board urges them to seek guidance beforehand from their own legal advisor.
