

Self Service App Portal (SSP) for iPad

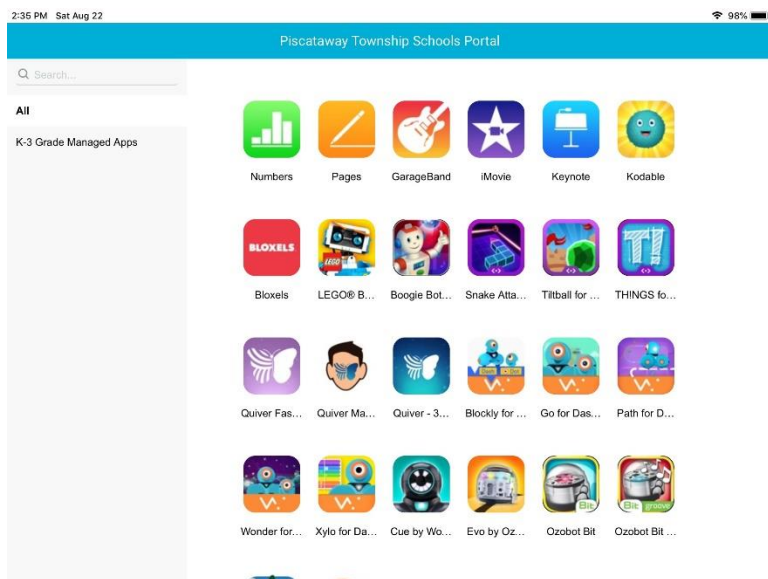

Piscataway School District has its own Apple app store called the Self Service Portal (SSP). Students and staff can download apps from this app store on demand. The apps available in the SSP contain only those apps deemed educational and relevant to the academia as offered by the district.

Prerequisite(s):

- Successfully logged into Lightspeed

To download an app from the SSP,

1. From the iPad home screen, tap on the app called **“App Portal”**. The App Portal shortcut automatically logs into the Portal.
2. A list of apps will appear. You can tap on the app group on the left to filter our specific app groups or tap **“All”** to see all apps available.

3. Select the app you wish to download.
4. Within a few minutes, the app will begin to download and install.

Congratulations! You have successfully installed an app from the Self Service Portal.

Any questions or problems using the SSP, please contact helpdesk@pway.org
