**X. PUBLIC COMMENTS FROM THE FLOOR**

The Board of Education recognizes the value of public comment on educational issues and school matters of community interest. In support of this position, the law establishes a period of public comment at every Board meeting.

Individuals wishing to speak must state their name and address. Comments are limited to three minutes' duration, but an individual may speak a second time after all others who wish to speak on the topic have been heard. The Board may require that individuals register to speak prior to the beginning of the meeting. Participants may submit written material in support of their position.
